EXPERIENCE

Baha'i Faith · Volunteer Teacher and Youth Mentor

since 2009

- Taught children virtues and mentored junior youth in their empowerment program from senior year of high school through college and career, including year of service in Santiago, Veraguas, Panama
- In Panama, lived among locals, tutored reading and math, and facilitated study groups for youth and adults on spiritual growth and service to community
- Recently helped youth group write original song within hours, which they shared at their open mic

From the Ground Up Tour · Independent artist

since Mar 2026

Rapper: Presented 20 concerts (and counting) across the US and Canada for hundreds of people of all ages

Fundraiser: Brought in over $8K through concert honoraria, merch, and donations

Content creator: Published dozens of videos on Instagram, edited in DaVinci Resolve

Lyrist · Founder

since Feb 2023

- Built songwriting app that helps writers find beats, capture song ideas, and get past writer's block, earning over $10K in subscriptions
- Mentored underserved students in CodeDay's internship program over multiple summers, guiding them through each stage of software development
- Started label "Lyrist Records" to independently release original hip-hop music

Microsoft · Software Development Engineer

Aug 2016 to Aug 2026

- Swapped abandoned third-party sign-in library for Microsoft's own, then walked 50+ engineers through switching over
- Prepared 10 web and mobile engineers for first on-call shifts on Azure outage response app
- Built features in Outlook and Excel, including Office Scripts, which automates repetitive spreadsheet work for close to 1M people monthly

SKILLS

Songwriting	featured by NBA star Damian Lillard on his weekly #4BarFriday Instagram rap challenge
